

St. Francis Xavier Parish

Last week, our Diocesan Office granted our parish approval to establish an ongoing Building Fund for various projects of renovations and upkeep necessary on our premises. A Building Fund is necessary to achieve our required list, which is estimated at \$99,000. These projects consist of: numerous doors and hardware are in poor condition, windows need to be recapped; the church steps and ramp have well served their time; our parking lot in the coming years will need to be resurfaced plus other needs. These projects will be completed according to their priority.

You, our parishioners of St. Francis Xavier have always taken great pride in our church and its premises and have generously supported all past projects. Of which, we are most grateful. In past years, we have made major improvements to our facilities, which is not only pleasing to us but also to those who may be guests at any functions that take place here at St. Francis Xavier.

The purpose of this letter is to inform you that we again need your financial help. Attached is a Pledge Form, if you prefer to complete and return in the next couple weeks. Or you may choose to add an extra amount in the "Building Fund" envelopes in the pews or in your weekly offertory envelope (under "Parish Development" - mark Building Fund) or another option could be a one time monetary donation. Donations may be put in the collection baskets at Mass time or stop by our parish office at your convenience. Even \$5. per week will add up to \$250 for the year. Please include your name on the envelope, as all money received will be credited to your annual charitable donations, for tax purposes.

If you have any questions or concerns, please contact our church office at 433-1902 (leave a message if we are not in).

Thank you and may God bless you

Fr. Dan Bastarache
Father Dan Bastarache
